Size of banner open up to Open Forum.

Questions.

NAE: For every RHA event, you plan to take it down and put it up every single time?

Ajai: If poker night, we can take banner to put up. Meant for Director of Programming to use and put in funshop. Will have the general RHA logo on banner.

ESW2: How many people signed up

Virginia: 20

FFM: Of all the residents signed up, what is the building representation?

Virginia: Yes.

Group deal for 40 to cover paint and rental

FFM: Most hall councils have a per person rate

We suspended bylaws.

ESW2: How many people already signed up?

The bill writer has sign ups in his room. Ive had 6 or 7 people sign up with me.

ESW2: Is this the same place that we have a deal with?

ESW2: Is that something we can look at?

I will talk to Tim after the meeting.

CSA: Are you putting in PLs also?

Yes. Included in 50 people.

FFM: PLs can play?

President: No policy against it.

Group prize spent on residents. Go around judge rooms put in newsletter, give \$100 from hall council for second prize (Gift basket)

FFM: Multiple items

Yes

ESW1: Take into account certain things housing does not permit, like anything nailed to wall.

If we can't see it, then we are not going to search for it. Take pictures and hall directors will see too

Woodies: Anything fun an example of MTV cribs style thing and show it? Show a video?

We could. We will get at least the pictures of the room

FFM: How do you think this program will help RHA?

Tells residents what we can do and the fun things RHA can do.

Woodies: Let residents vote on rooms?

Voted on end by people on hall council

Don't know how that would work timewise

BH: How many rooms?

3. We expect about 100 residents.

CSA: How long have you been planning this event?

Planning happened two weeks ago. Registration was up Monday

ESW2: Did your hall council fund any of it?

We put in \$100 for second prize

Open Forum

ESW2: Question for Elliot, curious about amount totals as posted on last weeks agenda. Capital to 14,002 for February 13th.

The actual is \$14471. Ignore what is in the minutes.

Woodies: One of our residents to submit bill to go see event at Fox March 26th. Does anyone want to combine with our hall council?

ESW2: Also the student price at the fox is \$20 if you show up day of for best available

FFM: For people who live in freshman experience there is a leak in crack of pavement on ramp outside of building across from burger bowl

President: I can talk to someone from facilities

Glenn: Do we have legos in our funshop. Can we pass a bill with ebay?

President: Cant do it. Has to be licensed vendors.

HEE: In past meetings we talked about stinger buses. At 10am in Klaus, I was there where it was back to back trolley, red stinger, and trolley. Before they got to red light another red stinger came. When I was trying to go back I stood for half an hour waiting for next trolley.

NAE: We would like to talk to all North ave afterwards.

Woodies: Does RHA have a page in the yearbook, can we have a picture in there?

President: Sure.

ESW2: Can we arrange that to happen?

President: Dress up next week and we will have a yearbook photo.

Miscellaneous Business

• 2008 Hall Council Structure Review

Lisa: Internal Development and I have been working. Typed up a briefing. Found a few key issues. First of which is attendance. Building reps do not to show up. Also another problem is change constitution to flood the vote. Resident interest: difficulty in generating resident interest. Create new exec board positions. Officer involvement: Non-LC members feel alienated. Financial:

Welcome week money, CA funds, first floor meeting funds were not used extensively by increased to 50 or 75 cents per residents.
The CAs don't have to pass sectional bills for apartments. Interest in Freshman HC with PLs.
Survey to Hall Directors and Advisors.
Looking at Student Staff and residents since student staff have requirements to be met and different perspective.
Organize Walk Thrus: walk thru with residents,
Meetings to continue, if you see anything that doesn't apply to your hall council please let me know
I will be writing a policy based on what we find

ESW2: The 50 cents for Rezfest, is that in addition to Rezfest in budget?

President: Take out 50 cent per resident, RHA put on a big event at end.

FFM: Rezfest, 50 cent to hall council or big event?

President: Will get more details on what rezfest is later. Your area is putting event on for all of campus
